Detailed Report on One-Day Online Workshop on "Go Green: Renewable Energy"

Introduction: On the 29th of January 2022, Shri Guru Govind Singhji College (B.J.), Malegaon Road, Nanded, successfully conducted a one-day online workshop titled "Go Green: Renewable Energy." This workshop aimed to educate students and faculty members on the significance of renewable energy sources and promote sustainable practices. The event was organized in an online mode, allowing participants from various locations to attend and gain valuable insights into the topic.

Details of Workshop:

Date: 29th January 2022

Mode: Online

Hosted by: Shri Guru Govind Singhji College (B.J.), Malegaon Road, Nanded.

Guest Speaker: Prof. Dhavale Dnyanoba D., Shahir Annabhau Sathe Mahavidyalaya, Mukhed

Coordinator: Prof. Amol Deepakrao Dhule

Inauguration and Introduction: The workshop began with an inaugural address by the Coordinator, Prof. Amol Deepakrao Dhule, who welcomed the participants and introduced the Guest Speaker, Prof. Dhavale Dnyanoba D.. Prof. Dhule emphasized the urgent need to transition to renewable energy sources in the face of global environmental challenges. He highlighted the workshop's objective to raise awareness about sustainable energy practices and encourage participants to adopt eco-friendly habits.

Session by Prof. Dhavale Dnyanoba : The primary session of the workshop was led by the esteemed Guest Speaker, Prof. Dhavale Dnyanoba D. from Shahir Annabhau Sathe Mahavidyalaya, Mukhed. Prof. Dnyanoba, an expert in environmental science and sustainable energy, provided a comprehensive overview of renewable energy, its types, benefits, and the role it plays in combating climate change.

Key Topics Covered:

- 1. Introduction to Renewable Energy:** Prof. Dnyanoba began the session with a detailed introduction to renewable energy, explaining the fundamental differences between renewable and non-renewable energy sources. He discussed the various types of renewable energy, including solar, wind, hydro, biomass, and geothermal energy.
- 2. Benefits of Renewable Energy:** The session covered the numerous benefits of renewable energy, such as reducing carbon emissions, decreasing dependency on fossil fuels, and creating sustainable job opportunities. Prof. Dnyanoba emphasized how adopting renewable energy can contribute to a cleaner and healthier environment.
- 3. Technological Advances in Renewable Energy:** Prof. Dnyanoba highlighted the latest technological advancements in renewable energy, showcasing how innovations are making renewable energy sources more efficient and accessible. He discussed the role of solar panels, wind turbines, and other technologies in harnessing renewable energy.
- 4. Challenges in Renewable Energy Adoption:** The workshop also addressed the challenges faced in the widespread adoption of renewable energy. Prof. Dnyanoba discussed issues such as the initial high costs, infrastructure requirements, and the need for government policies and incentives to promote renewable energy.
- 5. Global and Local Initiatives:** Prof. Dnyanoba provided insights into global and local initiatives aimed at promoting renewable energy. He discussed successful case studies of countries and communities that have significantly integrated renewable energy into their power grids and the lessons that can be learned from these examples.
- 6. The Role of Individuals in Promoting Renewable Energy:** The session concluded with a focus on the role of individuals in promoting and adopting renewable energy practices. Prof. Dnyanoba encouraged participants to take small steps, such as using energy-efficient appliances, supporting renewable energy projects, and spreading awareness about the importance of sustainable energy.

Interactive Q&A Session: The workshop included an interactive Q&A session, where participants had the opportunity to ask questions and share their thoughts on renewable energy. Prof. Dnyanoba answered queries regarding the practical application of renewable energy technologies, the future of renewable energy in India, and how students can contribute to environmental sustainability.

Summary: The workshop concluded with closing remarks by Prof. Amol Deepakrao Dhule, who expressed his gratitude to Prof. Dhavale Dnyanoba D. for his informative and engaging presentation. He also thanked the participants for their active involvement and encouraged them to implement the knowledge gained during the workshop in their daily lives. Prof. Dhule reaffirmed the college's commitment to promoting environmental awareness and sustainability through educational initiatives.

Mukhed.

Dear Sir,

On behalf of Shri Guru Govind Singhji College (B.J.), Malegaon Road, Nanded, I would like to extend our heartfelt thanks to you for your valuable contribution as a speaker at the one day online workshop on "Go Green: Renewable Energy" held on 29-01-2022.

We greatly appreciate the time and effort you invested in preparing for the workshop, as well as your willingness to share your knowledge with us. Your participation has helped us achieve the objectives of the event, and we look forward to the possibility of collaborating with you on future initiatives.

Once again, thank you for your invaluable contribution. We hope to have the pleasure of working with you again soon.

Warm regards,

Principal
